Re: Change of entity name on WSCA Master Price Agreement 10-00115

Dear Ms. Smith,

I am writing to you in your capacity as Contract Administrator for the WSCA wireless agreements, to notify you of a change in entity name on agreement 10-00115. Following the acquisition of AT&T Wireless by Cingular Wireless, we are changing the name of the contracting entity on the agreement known as "Western States Contracting Alliance Wireless Communication Service and Equipment Master Price Agreement 10-00115." The name of the contracting entity shall hereafter be "New Cingular Wireless National Accounts, LLC."

New Cingular Wireless National Accounts, LLC, is not a newly-created entity, but is the new name of the original contracting entity, "AWS National Accounts, LLC." Because this is a name change only, no assignment or novation is required; no obligations of performance are being transferred to a new entity. Most vendor information that was associated with AWS National Accounts, LLC will be unchanged. The Federal ID # (FEIN) will remain 91-2016656. I have attached a Secretary's Certificate documenting the name change amendment.

Please feel free to share this notice with any WSCA participant, so that they can update their records and billing information. We are nearly complete in our transition to the Cingular brand in our billing and other systems, and expect the use of the AT&T name to cease after March. If individual WSCA participants have other compliance requirements related to this name change, we will work directly with them.

Best Regards,
